Titel: Always look on the bright side
Artiest: Monty Python
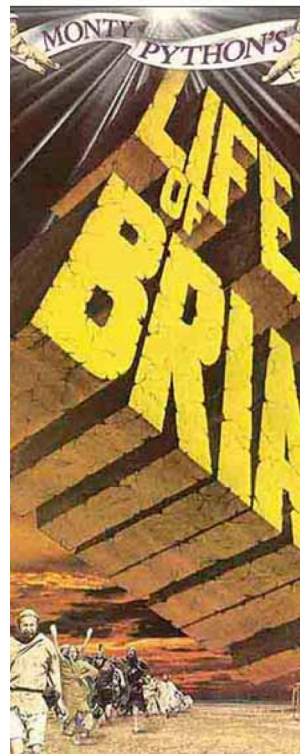

Verse 1:
Some things in life are bad
They can really make you mad
Other things just make you swear and curse
When you're chewing on life's gristle
Don't grumble, give a whistle
And this'll help things turn out for the best, and ...

Chorus:
Always look on the bright side of life, (whistle)
Always look on the light side of life, (whistle)

Verse 2:
If life seems jolly rotten
There's something you've forgotten
And that's to laugh and smile and dance and sing,
When you're feeling in the dumps,
Don't be silly chumps
Just purse your lips and whistle - that's the thing, and ...

Chorus:
Always look on the bright side of life, (whistle)
Always look on the right side of life, (whistle)

Verse 3:
For life is quite absurd
And death is the final word
You must always face the curtain with a bow
Forget about your sin, give the audience a grin
Enjoy it, it's your last chance anyhow, so

Chorus:
Always look on the bright side of death, (whistle)
Just before you draw your terminal breath, (whistle)

Verse 4:
Life's a piece of shit
When you look at it
Life's a laugh and death's a joke, it's true.
You'll see it's all a show,
Keep 'em laughing as you go
Just remember that the last laugh is on you, and

Chorus
