

**EDWARD VAL**  
troubadour zanger gitarist

**Titel: I will survive**  
**Artiest: Gloria Gaynor**

**Verse 1:**

At first I was afraid, I was petrified  
Kept thinking I could never live without you by my side  
But, then I spent so many nights thinking how you did me wrong  
And I grew strong, and I learnt how to get along

**Verse 2:**

And so you're back, from outer space  
I just walked in to find you here with that sad look upon your face  
I should've changed that stupid lock  
I should have made you leave your key  
If I'd known for just one second you'd be back to bother me

**Verse 3:**

Go now, go, walk out the door  
Just turn around now, 'cause you're not welcome anymore  
Weren't you the one who tried to hurt me with goodbye  
Did I crumble, did you think I'd lay down and die

**Verse 4:**

Oh no, not I, I will survive  
For as long as I know how to love, I know I'm still alive  
I've got all my life to live, I've got all my love to give  
And I'll survive, I will survive, hey, hey

**Instrumental**

**Verse 5:**

It took all the strength I had not to fall apart  
Kept trying hard to mend the pieces of my broken heart  
I spent o so many nights, just feeling sorry for myself  
I used to cry, but now I hold my head up high

**Verse 6:**

And you see me, somebody new  
I'm not that chained up little person, still in love with you  
And, you feel like dropping in, and just expect me to be free  
Well, I'm saving all my loving for someone who's loving me
